Editorial**Important Information—Please Note**

We regret that there will NOT be a Coffee Morning on Wednesday 16th July.

We are advising you all early so that you may make a note in your diary now.

The Hire Agreement with the Hall's Trustees, to whom we pay our rent, have a condition in the agreement that certain days during the year are booked for use by the Blood Donor Service, there are about three such days in the year. This year one of those pre-booked days falls on Wednesday 16th July. (*This is the first time a clash of dates has affected us*).

Unfortunately we are not able to find an alternative hall locally so must break our long-standing boast of never closing—sorry!

Whilst on the subject of Coffee Mornings we must say that the Committee greatly appreciates the help provided by some members in putting away the tables and chairs at the end of the morning? However, may be ask you to please delay doing this until nearer 12.00 a.m. Recently it has been noted that the 'clearing up' can start as early as 11.40 a.m. which is rather embarrassing, especially when some members are still chatting. We do not wish to give anyone the feeling that they are being asked to leave, far from it; our hire is from 10.00 to 12.00 and should members wish to carry on chatting until 12.00 then so be it.

Your help at the end of the morning is greatly appreciated, especially by the older members, but we must never, ever, give the impression that your company is not wanted. If you wish to help clear up please do so, but just hang on a few minutes more until most of the members have taken their leave.

Chairman Tony has written a brief report on his first year in office (*see later*) and refers to the A.G.M. This has reminded me to not only draw this matter to your attention but also the fact that the new Club Membership Year officially starts on 1st April. The Membership Secretary has a supply of 2008/9 cards so is able and willing to take your fee whenever you are ready to handover the £6.00.

Membership Forms can be found in the centre of this issue (Page 11) of the magazine so please fill one in when renewing your membership. You may feel this is a waste of time but I can assure you it is of a great help to the Membership Secretary to have up-to-date details. She is able to endorse it as a receipt when handing you your new membership card.

Regarding the A.G.M. I must again bring up the subject of 'new blood' on the Committee; some of the existing Committee Members would very much like to take a rest after serving, perhaps three or four years. It is not an arduous task, just 6 meetings a year in very convivial surroundings with tea and cake afterwards!

Give it a thought please; the continued success of the club is dependent upon it having a nucleus of a few persons willing to spend a little time occasionally to keep it running smoothly.

Editorial continued

The Club, as you may have noticed, runs quietly along without any hassle, in fact you could say it runs itself, each group looks after its own activity, pays its way and only refers to the Committee if it has a problem, and 'touch wood' they never do. So may we ask you, the younger members, to give it some thought, have a word with a Committee Member to get details of what is involved. Go on, have a go!

We are still looking for a brave member to re-start the Writing for Pleasure Group; you do not need to have a set time to meet, just give one another a ring and suggest a get together. It's just an idea but don't call it a group, make it a 'workshop' where you meet up and discuss your ideas and what you may have written recently.

Now the Annual Lunch has passed the Luncheon Club is starting again see Page 6 for details of the first, which is at the Bason Bridge Inn.

Obituary

I regret to advise that one of our first members, Roy Preston, died on Friday 25th January 2008. Roy was not only a founder member but also our first Chairman and, being very enthusiastic, was involved in forming the groups that got the Club started. A keen player at skittles he would belt the balls down the alley in order to get the top score, I remember him winning the trophy for the highest annual aggregate. Play Reading was another of his activities and Tony missed his 'male leads'; Roy's wife Yvonne organised the speakers' for our Speakers Corner. They left this area some four/five years ago to return to South Wales. On behalf of the Club and the members that knew Roy we sent Yvonne our condolences.

Whilst putting the magazine together I received a letter from the nephew of Sydney Cox informing us that his uncle had died on Monday 4th February, after a very short illness. Sydney who lived in General Higgins House was the gentleman who produced the Contoc Christmas Concert cassette tapes for the blind and visually impaired. He was well know amongst the people in the entertainment profession, (the late Charlie Chester and Harry Secombe included) they frequently took part in taped performances for him, he also provided talks etc so that the person who received his tapes were kept informed of the world around them. His Christmas Concerts for these unfortunate people will be sorely missed.

Chairman's Report

It is now nearly a year since I took over as your Chairman and I thought it time I went into print!

Our U3A of Highbridge is quietly growing and although the various groups are flourishing their leaders should not forget that they can always come along to the Wednesday Coffee Morning to give their group a plug. If there is anyone who feels they would like to start a new group or would like a group to be started for a particular activity please have a word with Ken or myself.

The weekly Wednesday Coffee Morning draws an average of 50 plus and is the hub of the Club. Recently we started "Bring and Buy" Sale Table on the fourth Wednesday of the month and the first two were most successful---the next is on Wednesday March 19th.

We have an enthusiastic Committee that meets bi-monthly and it is always ready to listen to new ideas (and complaints) and a 'Thank you' occasionally.

Our A.G.M. is due in May and I know that some of the Committee are looking for the opportunity to take a rest this means we would like to think that some of you might seriously consider putting your name forward, a nomination form will be included in the April magazine.

The members who are elected will elect the Officers for 2008/9 at their first meeting after the A.G.M.

"No nursing homes for me"!

A lady on a Mediterranean cruise noticed that an elderly lady sitting alone in the main dining room was on very familiar terms with the ships staff and officers. Upon asking a waiter who the lady was, assuming it was someone important, she was surprised to learn that the lady had been on the last four cruises, one after the other. When leaving the dining room she entered into a conversation with the lady who confirmed that this was, in fact, her fourth cruise. "It's lovely," she said "Cheaper than a nursing home".

The young lady thereupon decided that when she became old and feeble she too would be going on cruises because the average cost for a nursing home was about £2,500.00 a month and costs were rising. A cruise on the other hand at pensioner and long-term rates, including gratuities, as many meals as you like a day, room service, use of all swimming pools, all health club facilities, laundries, free TV, free maintenance and clean towels/sheets every day without asking; was worth considering. Especially as the costs were very much the same.

In a nursing home if you fall and break something they send you to hospital and give someone else your room, on a ship they up-grade you for life. What a better way to see the world in a very relaxed fashion and being waited upon all day; also if you die they probably throw you overboard without an expensive funeral.

Know your Committee (cont,d)

The following brief biographies of the remaining Committee Members complete the line-up referred to in the last issue. When we get near to the A.G.M. and nominations are put forward for the new Committee we will ask the nominees to provide similar details so that they are identified and can then be associated more readily with their activities.

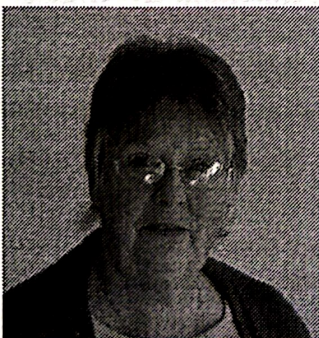

Beryl Bryant. Membership Secretary.

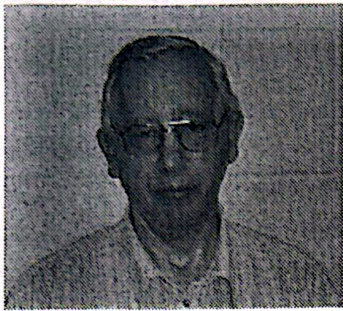

Beryl's biographical details on how she came to be in Highbridge are obviously the same as Roy's.

Vi Chick-Social Group I was born in the East End of London, when the war broke out I was evacuated to Henfield in Sussex and stayed there doing various jobs until I was 20. Then I joined the A.T.S. and was stationed in London for a while before being posted to Singapore during Mayalan campaign. I married and settled in Highbridge with my husbands' family and raised three children. I joined Burnham U3A then helped to found the U3A of Highbridge in 1999.

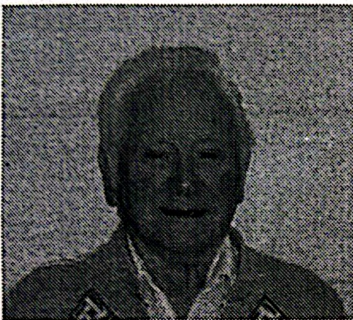

Margaret Wall. I was born in Highbridge and attended Highbridge Infant School then on to West Huntspill School until 11 years old and finished my education at King Alfred's. I worked for 23 years at Morlands the Sheepskin Factory in Highbridge, working my way from machinist to Training Instructress to supervisor in Footwear then on to Development Supervisor. After leaving Morlands, which had closed down, I worked at Highbridge News and Massie's Bakery. Due to my father's illness I was unable to work full time but after his death I worked, until my retirement, as a carer at Frith House where I found working with elderly and confused people to be extremely rewarding.

Phil Lyes I was born in Clifton, Bristol and, when I was 3 years old my parents moved to Weston-super-Mare, my mothers' native town. I went to the local Primary Schools and then went to Weston Grammar School. When I left school I worked as a projectionist at The Gaumont Cinema in Weston until I did my National Service (R.A.F.). After National Service I attended College in Bath and took a Business Studies course.

Afterwards I obtained employment in S.W.E.B. Weston where I stayed for 30 years until early retirement. I met my wife Pam in 1966 we married in 1968 and have lived in Highbridge ever since.

Ray Reddish I was born in Bexleyheath, Kent and attended Bexleyheath School; upon leaving I worked for United Dairies as a milk boy and then at Vickers Armstrong Engineering. In 1942 I left home to work on a farm, firstly at Hambrook then at The Grange Farm in Mark. Doreen and I met at an Old Tyme Dance and we married in 1952, I then worked at Highbridge Creamery as a cheese maker and later moved to Woodberry Bros

and Haines where I worked for 33 years, retiring at 65. I enjoy partaking in all the different U3A activities and looking after my bees and garden.

Joyce Curtis Although my home was in Highbridge I was born in Glastonbury, my father was in the forces so my mother returned to her home on Glastonbury. When my father returned after the war we moved back to Highbridge, but my early childhood had been spent in Glastonbury due to my mother's ill health. I worked at Morlands in the Canopy Dept; I met and married my husband Mick in 1962 and we had four children. My

husband died in 1994 and after retiring in 2001 I got involved in the Frank Foley Memorial project and the regeneration of Southwell House, which brings me up to the present day.

The details of our current Committee Members are now complete. Have you noticed that only one of our Committee is a true Highbridge person i.e. born and bred in the town? It is Margaret Wall; all the others were born elsewhere.

The Social Scene--- Programme for 2008

We thought that you may like to know a bit about the places included in the list of proposed trips, just a brief description of what there is to see so that you will have some idea of what to expect. Trips are based on a MINIMUM of thirty persons occupying seats on the coach.

There is a visit to Hampton Court planned for Thursday 10th April.

It will be a long day with a lot to take in so there will be an early start from Bank Street Car Park at 7.00 a.m. YES 7.00 A.M.

The cost of your ticket (£23.00) includes the Coach, Gardens, Palace and the Maze. Cardinal Wolsey started to build the redbrick Tudor Palace in 1514 and the magnificent result irritated Henry VIII, in order to ward off the kings' displeasure Wolsey presented it to him in 1520 following its completion in 1520. William III commissioned extensions by Sir Christopher Wren in 1689. To see are the Astronomical clock, huge tapestries and paintings by Titian, Tintoretto, Holbein and Lely.

Wear sensible shoes because there will be a lot of walking especially as coaches are not allowed to park at the Court, this requires a walk of about 500 yards on arrival and then back to the coach afterwards.

Another trip is to Compton Acres in Dorset, this comprise seven gardens in English and foreign styles with many rare plants. This trip is scheduled for 15th May again a Thursday. Following the tour of the gardens it is proposed we journey into Poole for a boat trip around the harbour, possibly out round Brownsea Island?

On June 4th is the proposed visit to Bristol Hippodrome to see "Fiddler on the Roof", this, as you may know is a musical. It is based on a Jewish Village in Czarist Russia and the Dairyman Tevye. He is doing his best to preserve traditions in a fast changing world and this causes much upheaval in the village.

The show is blessed with glorious rousing music and heart-warming humour from the many colourful characters. The story is about Tevye and the problems that arose when he, whilst intoxicated, said that his daughter could marry on older man, especially when she was promised to another. The problem is eventually resolved with everyone in a happy mood at the wedding when things suddenly go wrong, with the village people forced to move out and find homes elsewhere.

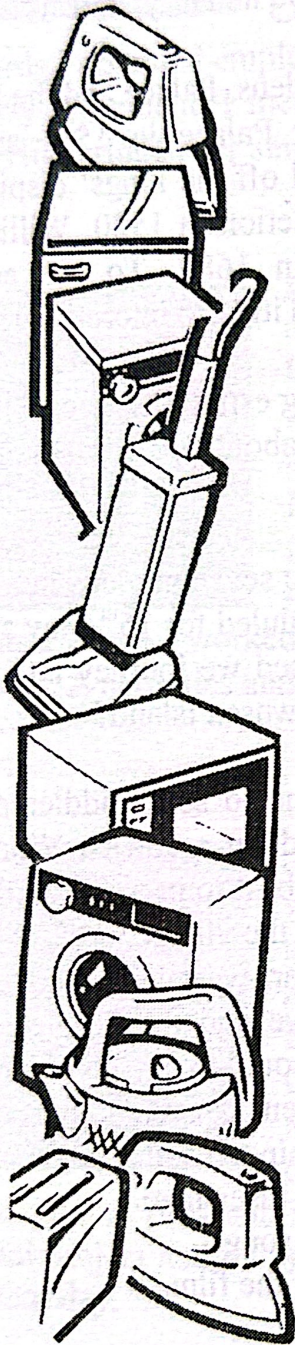

This musical has a mixture of humour, pathos and rousing songs.

For those of you with long memories Topol was the star of the film.

A trip to Warwick Castle is planned for 19th June. This is a majestic 14th century building standing above the River Avon; it has massive walls, towers and turrets. It contains waxwork tableaux that depict the history, plus dungeons with grisly torture instruments. Warwick itself has many historic buildings and, on a fine day, will keep you busy sightseeing for hours. (See page 16 for more information.)

The Annual Lunch

120 members and friends attended our Fifth Annual Lunch held at the Oak Tree Arena on Wednesday 13th February; a very good turn out considering our total membership is 188. We thank you one and all for your support and trust you enjoyed the event at this new venue, I think we were the largest group that they have so far catered for with a sit-down meal. The new clubroom was built for the Somerset Rebels Speedway Teams Friday meetings but at other times is a restaurant becoming an addition to the list of local eateries that we have at our disposal.

This year the seating comprised round tables of eight, making for a more social atmosphere, enabling you get to know others seated around you. The quiz is also a good means of everyone coming together and although, this year, it was more difficult than usual, it did get you all chatting. Congratulations to Ann Lismore for getting the most points. We must also thank all of you that donated prizes for the raffle, 36 in all, which meant that over 25% of you went home with something.

Brilliant! Fabulous ! Great ! Super !

What a way to start our Christmas festivities, we came out of the theatre with a really happy feeling. So much so that I went and bought "Abba Gold" the next day and I have been bopping around the house ever since.

Very many thanks to Vi and Roy for all their hard work organising trips this year.

Thanks also to all the Committee and Club Co-ordinators, and not forgetting the tea and coffee makers.

May I wish you all a very Happy and most of all a healthy 2008 with many more to come?

Angie Cook

(Unfortunately Angela's correspondence arrived too late to be included in the Jan/Feb magazine but I am sure her wishes to you all are still relevant.

P.S. Just prior to the Annual Lunch Angela fell down stairs and fractured her leg making it necessary for her to cancel her visit to the Oak Tree Arena. Sorry you had to miss the 'Do' Angela but take care, all the best for your recovery).

Personal Security

A member recently received a letter from a company offering a service that supposedly kept a check on your credit security and was advised by her son not to touch it; she kindly passed the details on to us so that you may also benefit from the advice she had received.

Although information in their letter referred to the Financial Services Authority and certain references but when the details were checked, some were reported as 'invalid'. We therefore felt that members should not take a chance with this particular offer, the sensible course of action being "If in doubt don't".

The Skittle Group held its usual Christmas Skittle Party at the Royal Artillery Inn on Friday 21st December. The usual games were held, followed by the Christmas buffet that was served in the alley.

It was followed by a quiz; the results of which were poor, as our brains were not working very well, Pat Gray was the winner.

Then came a free raffle, Ray and Betty having put together a good selection of prizes.

The presentation of the cups came next with Mary Akers winning the cup for the years' highest aggregate score, plus a prize for the most attendances.

Brenda Hooper won the cup

for the highest score on the day.

The group was then entertained with a few jokes from Babs' Whiteway and Ethel Titford and eventually dispersed during the late afternoon. We all went home looking forward to a Happy Christmas and Healthy 2008.

By Doreen Reddish

In the last issue of the magazine we reported on the Keep Fit and Board Games Groups Xmas Party, well here are some of the "happy" people, the table is bare so they have yet to enjoy their meal, but the party spirit is already in hand; the seven in view comprised just half of the assembled members. See Page 16 for another photo.

Social SceneContd

I have learned from the Group that additional trips are in the pipeline; these could be to : -Knightshayes House, a National Trust House near Tiverton. This is under the hour away down the M5. Well worth a visit if you are interested in old houses, the walled garden here has recently been re-established. This visit would be on 19th August.

Longleat is another visit, perhaps on 17th July. The home of the Marquis of Bath, Longleat has much to see, apart from the house and gardens there is the Safari Park. You have to visit this in a car although there are a few places where you can get out to photograph the animals. However, some areas are very secure with high fences and traveling wardens, I could not decide whether they were there to protect the public or the wild animals, these included monkeys, lions, tigers and wolves.

Animals roaming freely are giraffes, rhinos, camels, various cattle and deer.

Finally there could be a 5-day trip to the Thursford Spectacular in early November costing approx £350.00, (Single suppt. £39.00) recommended, a good trip. Please refer to the last magazine for a report on the event of 2007.

News etc from The Third Age Trust

Are you interested in obtaining the U3A NEWS direct from the printers?

Everybody who receives the copy direct will also receive a copy of Source; this is an 'informative educational journal'.

An annual subscription for the delivery of 4 issues of News and 3 of Source is £1.55 per person. We asked members a similar question some time ago and there was not sufficient interest to warrant joining the scheme. The scheme is based upon the majority of a club's members undertaking to obtain their copies by this means and paying up front for the privilege. It was found on the last occasion that members are happy to pick up a free copy of News when it appears at the Coffee Morning but are not prepared to go to the expense of ordering one direct.

The choice is entirely yours; we will abide by the members' decision. If you are interested we (Hon. Sec.) must be advised by Wednesday 12th March.

Further News: - Some Clubs are forming "Storytelling Groups" and a new network has been set up, there is a Newsletter for this activity should you wish to see it.
