Editorial**Another Reminder—Please Note: -**

We regret that there will NOT be a Coffee Morning on Wednesday 16th July—Blood Donors only on that day.

The Annual General Meeting. Yes it is that time again and we look forward to a good attendance, if past meetings are anything to go by it will not last long.

There are one or two subjects to be raised at the AGM: -

Tony Webb (our Chairman) has raised a question regarding the election of the Chairman; he understands that some clubs elect their Chairman at their AGM. Our Constitution states that 'The election of Committee Members is held at the A.G.M' it being left to the newly elected Committee Members at their first meeting to elect the Officers.

What do you feel about this? Do you think we should amend our Constitution?

This would mean that the Chairman is elected on the day, then you all vote for and elect the other Committee Members. The positions of Vice-Chairman, Treasurer and Secretary would still be decided at the first meeting of the Committee that follows the AGM, as is our normal practice.

If you agree with Tony this would be an amendment to our Constitution, we therefore would ask you to please think about it before the meeting. If in doubt have a word with the Chairman or Hon. Secretary.

Another proposal is that the Membership Secretary be elected for a term of 12 months only, with the option to continue for a longer period if he/she so wishes. Beryl Bryant was the Membership Secretary for 6 years and wished to take a rest, Fay Burston (Vice-Chairman) is standing in for the past 2 months, but we need someone to take the job on for the next year. At the start of the Club year it is a busy job but once we settle down after May the job is easy.

This proposal does not affect the Constitution. Would a member please consider standing for election this year and become Membership Secretary?

We need a few nominations for the Committee this year because although the majority of the Committee Members are happy to be re-elected, 3 wish to stand down. You may not be aware of this but of our present Committee the majority are over 70 (some over 80) and if you wish the Club to continue to thrive we urgently need some younger members to come forward. Some of us may like to think we could go on forever I am afraid that there will come a day when we too must retire.

There is a Nomination Form on Page 8 or get one from the Hon. Secretary

Editorial continued

The retiring Committee comprised the following: -

Tony Webb-----	Chairman-----	}	
Fay Burston-----	Vice-Chair-----	}	
Pauline Chapman----	Hon Treasurer----	}	
Ken Burston-----	Hon Secretary----	}	
Roy Bryant		}	Standing for re-election
Beryl Bryant		}	
Phil Lyes		}	
Ray Reddish		}	
Vi Chick			Wishes to stand down if someone will take her place
Margaret Wall			Due to other commitments wishes to stand down.
Joyce Curtis			Not standing for re-election

Whilst on the subject of the A.G.M. may I remind members that they must have a **current membership card** if they wish to attend and take part, i.e. cast their vote? This year we hope to start on time so that all the formalities are completed quickly.

The election of Committee Members for next year is the important subject to be resolved and we are looking forward to receiving some nominations from you. We had a successful 2007/8, the membership increased slightly and activities were again well supported, the Social Committee providing us with a good variety of events.

Subscriptions

As from 1st April subscriptions for 2008/9 are now due.

On behalf of the Committee may I say that we were pleased to have had the pleasure of your company for the past 12 months and look forward to you renewing your membership for the coming year if you have not already done so.

For those of you who are not be able to attend the Coffee Mornings, where memberships are usually renewed, may wish to be reminded that they can renew their membership by sending their Membership Form and 'old' card together with their cheque for £6.00 to the Membership Secretary (at present Fay Burston) at: 39 Saxondale Avenue. Burnham-on-Sea TA8 2PS.

Group News

Art-Tuesday & Thursday

Again the Club's Art Groups have been successful at the West Huntspill Annual Spring Show 14 members entered their paintings. Pauline Chapman (Thursday Group) won first prize with her watercolour painting of an African Lady and Val Breech (Tuesday Group) won third with a painting of a child on a beach.

In the Wine Making Class Ron Turner was again successful, gaining first prize in all three classes for red, white and cordial wines.

Card Making

Luncheon Club

The next lunch will be held at "The Huntspill Arms" West Huntspill on Wednesday 28th May at 12.30 p.m.

2-Course Special Menu at £6.95---Soup & Main Course OR Main Course & Sweet. The menu is very appetising; there will be a choice of 11- main courses and 6- desserts. A copy of the TYPICAL MENU (items may vary) is on Page 13,

If you are interested and cannot attend the Coffee Morning please ring Fay Burston on 01278 782529 to make your booking otherwise add your name to the list by Wednesday 21st May. Ta!

Strollers

On Friday 28th March the Strollers had planned to walk from Chedzoy to Weston Zoyland, but by 9.15 the fourth phone call had been received, another cancellation due to the heavy rain. However, as a result of an alternative suggestion put forward by one of the group seven of us set off at 10.00 a.m. as usual. We saw some beautiful plants plus a good selection of shrubs during our walk and followed this up by thoroughly enjoying our cup of coffee as well as putting the world to rights. We had had a really enjoyable morning, and by the time we left Sanders Garden World the rain had stopped, but it was blowing a gale. Our morning had not been wasted.

Group News

Re the Strollers: - on Page 7 is the programme for strolls in May and June as suggested by the group members; this is an idea picked up from other U3A's.

Family History Members of this group should note that the last meeting until the Autumn is on the 5th June. We then take a rest until October.

Cream Tea. Does it seem like twelve months since we sat in the comfort of the lounges at "Wick Farm" enjoying our cream tea with those scones, butter and jam? Well, it is and, regardless of the weather the time has come round again and we are booked to visit "Wick Farm" Lympsham on Monday 9th June
Price: £3.95. If you are interested please ring Fay on 01278 782529 or add your name to the list on the notice board before Wednesday 4th June.

Car Sharing

There are occasions when you may wish to offer a lift to a colleague, to or from an activity, but are somewhat concerned over the insurance aspect, please note: -

'Giving lifts to members when partaking in a Club activity is permitted. According to insurance rules there are no implications, as long as the **'no profit and vehicle occupancy rules are observed'** (Advice from the Third Age Trust)

Further: -

U3A Clubs are insured through the Third Age Trust for Public and Product Liability; there is **NO** insurance for personal accident. It is most important, for insurance purposes, that all members have **paid their Membership Fee before attending a Club activity.**

2009 Diary

These will be available from early August, I am taking orders now so do not delay; the order is for 24 only.

The price will again be £1.90

Did you know?

If you need to use a mobile phone in an emergency and do not have a signal at the time, then **DIAL 112** as an alternative to 999. Apparently 112 is an emergency number on your mobile phone that links you straight to the police. *(This information came from our local Neighbourhood Watch)*

The Strollers Suggested Programme: -

Members of this group have given some thought to putting forward their suggestions for a stroll that they feel would comprise an interesting mornings stroll around certain parts of Somerset.

Friday 9th May a local stroll to 'inspect' the local building developments that have appeared since the last 'inspection' many of these are quite unknown to some members This casual stroll is a good way of finding out where they are, how big they are and what sort of properties are being built.

A stroll around the Shapwick Village area is suggested for 23rd May, parking the cars in a lay-bye on the A39 at Loxley Wood the stroll taking in the Shapwick Village and surrounding countryside. It is flat but may be a bit muddy in places. Coffee to be taken at the King William in Catcott. To be lead by Vour Orchard

On Friday 13th June a stroll along the old Glastonbury railway line starting in Meare, this would be a flat, no styles and an interesting stroll, Ann Puddy and Carol;e Loveridge, who will lead the stroll, saw roe deer, many different species of birds and other wild life during their recce, a good nature stroll. Apparently there is a little tearoom for refreshments.

On June 27th —subject to good weather—it is proposed we go to Clevedon taking a packed lunch because although the stroll is not long the journeys to and from the Clevedont will take a little time. The stroll will be around the Lady Bay area it is mainly flat and close to the sea with good views across the Severn Estuary. Vour thinks we should take a packed lunch and have a picnic if the weather is kind to us.

.....

No doubt you may have noticed that the Notice Boards have been repositioned some weeks, this was because some members have implied that they do not always know what the forthcoming events are. They now have to pass the notices on their way in so perhaps this will encourage them to stop to check the programmes.

Table Top Sales. The next is on Wednesday 28th May and this will be the last until the autumn; the sale held on 23rd April was a sad affair with only a few items being presented for sale. If you feel that there is not sufficient interest in this idea to warrant its continuation please say and we will call a halt or perhaps try every other month.

The Social Scene--- Programme for 2008-continued

Our next trip is to Compton Acres on the Thursday 15th May, if you have not already booked your seat it is getting a bit late to do so. The Social Group have a more trips lined up but please remember that, in order to be run at a reasonable price, we require a MINIMUM of thirty persons occupying the seats.

The visit to Hampton Court on Thursday 10th April was run with just 19 members and although a success to those that went, it is not really an economical proposition but Roy and Vi said they would still go ahead so as not to disappoint the members who were keen to go. They cannot always be that generous because eventually they will be running at a loss and the Club is not that flush with cash. It was a long day; we left Highbridge at 7.00 and arrived at Hampton Court at about 10.30.

An official guide met us at the gates and conducted most of the group on a very interesting tour around that part of the Court which was the home of King Henry VIII and his various wives. Some very interesting bits of information were received but cannot be gone into now.

We did not see the Astronomical clock because that area is being renovated and is covered by sheeting. Although fine it was a cold day and inside the buildings it was a rather cool to say the least, heating those places must have been quite a task; no wonder they wore many robes and cloaks, etc

If time permitted visits to the Maze and other areas were made, but at 4.30 p.m. we boarded the coach for home, arriving in Highbridge at about 8.00 pm

Compton Acres in Dorset comprises seven gardens in English and foreign styles with many rare plants. The tour of the gardens is to be followed by a boat trip around Poole harbour.

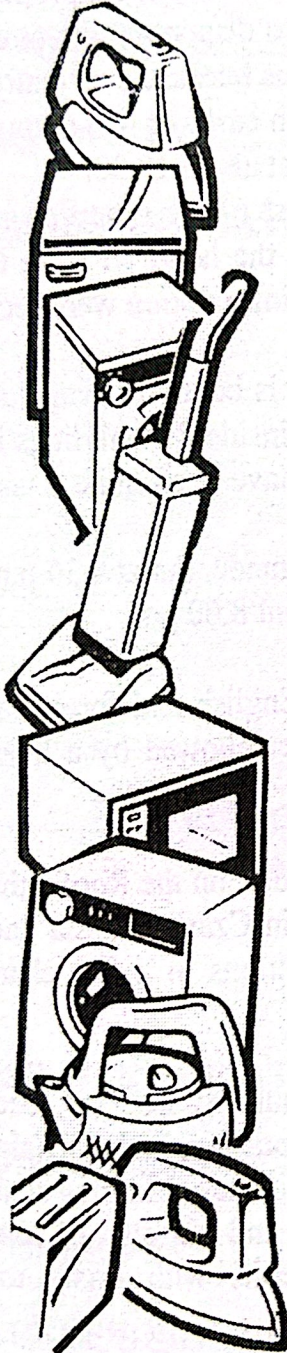

On June 4th is the visit to Bristol Hippodrome to see "Fiddler on the Roof", this, as you may know is a musical based on a Jewish Village in Czarist Russia and the Dairyman Tevye. He is doing his best to preserve traditions in a fast changing world and this causes problems in the village.

The trip to Warwick Castle has been rescheduled for Thursday 24th July because then the Great Medieval Activities will be in full swing, jousting, archery, falconry and other such entertainment. The castle is a majestic 14th century building standing above the River Avon; it has massive walls, towers and turrets. It contains waxwork tableaux that depict the history, plus dungeons with grisly torture instruments. Warwick-the town- has many historic buildings.

A late addition is a possible trip to the Bristol Hippodrome at Christmas/New Year to see "Cinderella". Please let Roy or Vi know if you are interested.

News from the Third Age Trust

Recent correspondence from the Trust contains a note suggesting we make members aware of a new Scam. The Trading Standards Office warns the public about the latest scam; this is where a card is posted through your door from a company called PDS (Parcel Delivery Service) it implies that it was unable to deliver a parcel to you and suggests that you contact them on 0906 661 1911 (this is a premium rate number).

DO NOT call this number, because this is a mail scam originating from Belize. If you call the number and you start to hear a recorded message you will already have been billed £15.00 for the call. If you do receive a card with these details please contact the Royal Mail Fraud on 02072 396 655 or ICSTIS at www.icstis.org.uk

Also received from the Third Age Trust is a circular entitled: -
 “Scambuster-Your guide to beating the Scammers”

This comprises three A4 sheets and it is obviously not possible to cover all in one go, so the various sub-headings will be included in forthcoming issues.

The headings cover: - Letters predicting the future.

Pyramid selling and free gift schemes.

Lotteries, sweepstakes and competitions.

Foreign money offers and advance fee scams.

Work from home scams.

Online dating scams.

Investment scams.

Miracle health cures.

Phishing.

The bottom line on all Scams is always the same:--If in doubt –DON’T!

North Somerset Association of U3A’s

This Club belongs to the Association and twice a year some members of the Committee attend, what is called a ‘Gathering’, it is held in a small hall in Churchill, on the A38.

The Association comprises the U3A’s of Burnham, Cheddar, Chew Valley, Highbridge, Norton Radstock, Wells, Weston and Woodspring.

We discuss subjects that concern the Clubs and the latest information/directives from the Third Age Trust. The Association organises workshops, these are held about twice a year and cover the setting up of group activities and provide assistance to those who need guidance on how to get these up and running.

Local Forthcoming Activities: -

Banwell Caves

Joyce Beard advises that the Banwell Caves are to have "open days" with free admission, (donations toward their upkeep if you are so inclined)

on : - Sunday 25th May }
 Sunday 22nd June } 2 p.m. to 4.30 p.m. with tea and cakes
 Sunday 3rd August }

Saturday 13th and Sunday 14th September (part of Heritage Open Days)
 10.30 a.m. to 4.30 p.m. with Cavemen's lunches and teas.

"An Evening with Fred Wedlock" this may be of interest to some of you, is to be held in the Community Hall in September. It will comprise an evening's entertainment that will also include a demonstration by some Irish Dancers. More details will be advised when available.

"Volunteer Fair" this is on Saturday June 7th in the Community Hall, it is to be a celebration of volunteering in the local community. It will also be an opportunity to find out more about local service providers, there will be discussion groups and presentations. We will be having a stall/exhibition to describe what we do and to show the general public what we 'pensioners' do in our spare time? It may encourage a few to join but it will not be a recruitment exercise.

Natural or Manmade Fibres-

Do you ever have the need to know the difference? If you do the following tip may be of interest.

You need to apply a flame (match or equal) to some threads taken from the fabric, twist them together and, holding the threads in tweezers so as not to burn yourself and performing the test over foil or damp newspaper in a ventilated place,

CAREFULLY hold the threads in the flame: -

MANMADE fibres will melt and shrink away from the flame,

NYLON AND POLYESTER burn with difficulty,

ACRYLIC burns quickly

VEGETABLE fibres will burn easily leaving a little residue glowing red,

ANIMAL fibres burn with difficulty and leave a crushable dark ash.

Of course why you should need to know is your business but the information may be of interest

Strokes—One of our members received the following information through the Internet and thought that it would be useful to have, it could save the life of someone we know. So please read and remember.

Stroke identification. An example: - A lady stumbled and fell when attending a party, she recovered saying she had tripped in her new shoes but felt alright, refusing the offer to call the paramedics. She enjoyed the party and at the end of the evening went home; later her husband rang to say she had been taken into hospital where she had died. She had suffered a stroke at the party but no one had recognised the signs and had not therefore received the attention that would have saved her life.

Recognition of a stroke can save a life and if treated within 3 hours the effect can be reversed. The trick is to recognise the stroke and get it diagnosed so that medical care can be provided within the 3 hours.

Symptoms of a stroke are difficult to identify and delay can be disastrous with the victim suffering brain damage.

There are **THREE** simple questions to ask: -

Remember the three important steps: -

S---Ask the person to **SMILE**

T---Ask the person to **TALK**—to speak a simple sentence, (coherently) like: Is it a sunny day? Something quiet simple.

R---Ask the person to **RAISE** both arms

Another sign of a stroke is—Ask the person to **stick out their tongue**. If it is 'Crooked' going to one side or the other then this could indicate a stroke.

If the person has a problem with **ANY ONE** of these tasks then call the Emergency Service immediately and describe the symptoms---This is **URGENT!**

A **STROKE** is caused when a clot of blood blocks a blood vessel, the free flow of blood to the brain is halted and the person invariably collapses, quick action is vital.

Some say a little knowledge is a dangerous thing but this sort of information can be very useful should you be out somewhere and suddenly come upon a person who has collapsed. You may not have the ability to **DO** anything but at least you can ring for the emergency services i.e. paramedics/ambulance if you recognise the symptoms.
