Chairman's Report

We come now to another A.G.M.---time to reflect and move forward.

Membership has remained constant and we still remain small enough to continue on a personal level. Some may feel that the Wednesday Coffee Mornings are a bit 'cliquey' but that is how friends like to gather; I can assure you that your committee keeps an eye on and welcomes new members.

Looking now to the Groups, the Mosaics Group that started earlier in the year is now established on the first and third Tuesdays; the Kurling Group has gone from strength to strength with a good following. If at any time a group feels it may have a problem please bring it to the attention of the Committee, they are always willing to help.

At this time I wish, on your behalf, to thank Joyce Beard for all the hard work she put into the Club over the years. Joyce was one of the founder members and has been active over many years running the Keep Fit Group. Betty Worthy will continue to run the Board Games Group and will include the Quizzes with the games. They meet at the Gospel Hall on a Tuesday at 2.15 pm.

Now to compliment three very successful Groups from this year, the "Away Days" thank you Vour and colleagues; also thank you Diane and Brenda of the Social Group for their Theatre Visits and Club Holidays

Looking ahead, please continue your support of our Group Leaders and your Committee and if you have any comments, or better still some good ideas, please pass them on. Group Leaders do not forget that you can always mix with other U3A's if you wish, and accept their members on a limited attendance basis.

Having just enjoyed a very good Annual Lunch, our thanks must go to Fay and Pearl for making the arrangements for the meal and raffle.

Finally, on behalf of you all, I would like to thank Ken our Secretary, and all the Committee Members, for their hard work during the past year; and offer my good wishes for the coming year.

Tony Webb

In accordance with clause 12 of our constitution I give notice that the

Annual General Meeting of the U3A of Highbridge

Will take place on Wednesday 15th May in the Highbridge Community Hall, starting at 10.30 am. All paid-up members are invited to attend.

Agenda

1. Apologise for Absence.
2. Adoption of Minutes of last years' meeting.
3. Matters arising from previous meeting.
4. Chairman's Address and Report.
5. Treasurer's Report and Acceptance of Accounts.
6. Election of an Examiner for the Accounts for 2013/2014.
7. Secretary's Report.
8. Election of Committee Members.
9. Any other Business. (Membership Fees for 2014/5)
10. Date of next Meeting.

In line with the usual practice copies of the Minutes of the last A.G.M. (held on the 16th March 2012) will be distributed prior to the start of the meeting. We would request members to read them and advise the Secretary before the meeting starts if there any matters you would like to discuss during the meeting.

Again, and in line with our constitution, all members of the current Committee will be standing down, but all are happy to be re-elected should you so wish. Tony, our Chairman, has 12 months of his term left before it expires.

One item to be discussed at this A.G.M. is the Membership Fee for 2014/5 because it is felt this will need to be increased. Also, if there are motions you wish to raise please let the Secretary have details, in writing, by Wednesday 8th May. This meeting gives members the one opportunity to raise issues that may concern them, your opinions are always welcome; after all it is your Club and the Committee will, as always, endeavour to run it the way you think it should be run.

+++++

By-the-way! If your membership for 2012/2013 expired on the 31st March then we look forward to you re-joining us for 2013/2014, if you have already, thank you very much for your continued support. If you have yet to re-join may we remind you that only fully paid up members may vote at the Annual General Meeting on Wednesday 15th May.

Editorial (Continued)

Our membership, as Tony has said, did remain fairly constant, it does tend to fluctuate a little during the year and we did nearly reach 200, failing by one, at 199. Perhaps we will make it this year? Although a few more members would be, perhaps, a good thing, we have no great desire to become a large Club; we, unlike many organisations do not agree that BIG is beautiful. When an organisation becomes too big its members lose their individuality and it all becomes too bureaucratic.

The U3A of Highbridge is known as the friendly Club and we pride ourselves in the fact that our members recognise and acknowledge each other when we meet outside Club activities. The attendances at our weekly Coffee Mornings has grown considerably judging by the need to now put out more chairs and tables; the 'kitchen staff' certainly appear to be a lot busier these days.

Whilst on this subject of membership, may I, on behalf of those who attend, Coffee Mornings, thank all who volunteer to provide the morning refreshments, they do a sterling service? Their efforts are greatly appreciated, keep up the good work! Thanks!

Cream Teas!

Yes, in spite of the recent cold weather we are now to looking ahead to brighter, warmer days when we can again visit Wick Farm for one of their delicious Cream Teas.

Fay has booked two dates; Monday 17th June and Tuesday 2nd July.

Nearer the dates you will be reminded and details will be put on the Notice Board so make a note in your diaries so that these delightful social sessions are not missed.

"U3A of Highbridge" Website?

Many 'moons ago' we did have our own website but it 'died' through lack of use. However, The Third Age Trust did include all Clubs in its National website 'Group Page'. They are in the process of updating it and are encouraging each U3A to set up its own website, because their webpage will not have room for all Clubs.

The Trust's 'U3A Site Builder' programme, (set up in 2007) is available so, although I do not have any IT skills I am attempting to build a website for us. In due course, a draft copy will be presented to the Committee for its approval.

The Annual Lunch

Another Annual Lunch has passed, don't they come around quickly? On Wednesday 20th March the staff at the Beachcomber Inn in Brean, again welcomed the members who I am sure were looking forward to the usual excellent carvery lunch. They certainly provide a wide variety of meats and vegetables; and every year we are invited to go back for more should we wish to do so.

To fill in the time whilst everyone queued for their meal we again provided a quiz, in the past Fay Burston, the lunch organiser, has compiled the questions but this year she decided to have a change and asked me (Ken) to do it.

We attend quizzes occasionally so I decided to 'utilise' a few questions from a few of these where most of them are considered to be general knowledge, but I did throw in a few 'local knowledge' for good measure. Members must, during a normal week, use Market Street in Highbridge quite a lot, but I believe no-one knew the name of the recently opened shop that specialises in selling Polish groceries (Polanka). Sorry about that!

Following the meal we again had the inevitable raffle; the Committee had agreed that this year we had fewer prizes because the draw does tend to take up a lot of time. We did buy a few prizes, but most of the selection had been donated by members; thank you all for your generosity. The final outcome was that over half the members present went home with a prize in some shape or form.

The Beachcomber again did us proud, everyone agreeing that the meal was up to the usual high standard. A vote of thanks goes to Fay who had arranged this annual social function and to Pearl, who, after buying prizes etc. could not attend the lunch because she needed to be in hospital. It's good to see you back Pearl; we trust you are now fully 'repaired'.

Group News

Luncheon Group

It has been drawn to my attention that I have omitted to include the Luncheon Group in the list of Groups and Co-ordinators, sorry Pat; the error has been corrected.

To the uninitiated this Group takes delight in sampling the very affordable lunches promoted by the local pubs. Pat Clipstone, the Group's Leader, following a visit to a local eatery obtains a copy of the menu. It is then displayed at a Coffee Morning and the members who are interested enter their name and the visit is arranged.

The group have visited two inns in West Huntspill recently, the White Cottage on Thursday 28th February and on Thursday 18th April the Orchard Inn. On each occasion members have enjoyed excellent meals and a lot of socialising during the lunches. Pat has found these visits are growing in popularity.

Card Making Group

Because there are a few Bank Holidays ahead of us Rose has given me the dates the Group will meet up until August, they are :

April 17th , May 15th , June 3rd , June 19th , July 1st , July 17th , August 5th , and August 21st. all meetings will be back at the old times of mornings 10.00 am to 12.00 am & afternoons 02.00 pm to 04.00 pm. Make a note of them please Card Makers.

Photographic Group

This Group will probably be busy during the next few months because it is to receive some tuition from a professional photographer see Page 8 there is also the North Somerset Associations of U3A's Photographic Competition, see Page 16. We look forward to this new group entering the competition and putting into practice what they have learned.

The Photographic Competition is open to all members of the North Somerset Association of U3A's, and because this Club belongs to the Association you are invited to take part. So why not have go.

Talking Communities

During a Coffee Morning in January we were visited by of two ladies from "The Engine Room" division of Somerset Films & Videos Ltd. The Engine Room was opened in 2003 and provides an accessible communities media centre which is in Bridgwater High Street. The centre co-ordinates all their activities as well as providing a café with internet access and facilities.

The visit was concerned with a project called "Talking Communities", this initiative could involve them working with groups within the U3A of Highbridge. They would like to work with us on a theme that promotes the U3A in general and the U3A of Highbridge in particular.

We have, so far, earmarked the Photographic and Creative Writing Groups as those that would benefit from their co-operation. It has already been agreed that three sessions be set up with the Photography Group to explore the general use of DSLR cameras. They will be exploring the general use of the cameras, composition, a photo manipulation workshop and how to apply what they have learnt creatively. These sessions will be on Wednesdays 18th April, 8th May and 12th June and will take place at the Community Hall during the Photographic Groups usual meeting; there would be room for up to ten participants.

They are also keen to work with the Creative Writing Group and have suggested they could work towards creating a radio play; this would take place over three sessions. The Engine Room would use its contacts with community radio to get the finished product broadcast. One of the outcomes would be to help the writers create an audio CD and the final piece would be put onto CDs for them to keep.

Finally, they propose arranging a couple of sessions in basic computer use for all members. In order to accomplish this they may need to use another venue where there is a Broadband (Wifi) facility. (There is not one in this hall as yet). They could also explore the possibility of a session covering iPads.

The Genealogy and Patchwork Groups were also involved in the earlier meeting and further involvement of these and other groups have yet to be agreed.

Keep Fit

You will have noted, from Tony's Report that we Joyce Beard has decided to call it a day; in view of this the Keep Fit Group has been removed from our list of Groups.

Joyce formed the group in the very early days of the Club, this was way back in 2000 and, it will be obvious that during the 13 years many of its members have, regrettably, died and those still with us now find they can no longer perform the various exercises. Thank you Joyce for your dedication to the cause over the past years, we wish you well in your new venture and trust that you are able to enjoy its activities.

Betty Worthy who leads the Board Games Group now includes in her activities the Quiz that Joyce previously organised and tells me they will warmly welcome any member who wishes to join them. The questions in the quizzes, I hear, are not difficult; it is just a bit of extra fun for those who wish to join in. The Group will still start at 2.15 pm as before.

The next "Away Days" are to:-

Tredegar House, Newport

On Thursday 23rd May, this day out is to one of the architectural wonders of Wales and one of the most significant late 17th century houses in the whole of the U.K.

Situated within 90 acres of beautiful gardens and parkland, this delightful red brick house provides an ideal setting for a fantastic day out. The National Trust took over the management of the buildings and gardens in 2012 allowing open access for the first time in the history of the house.

There are a few seats left on the coach if you are interested; see Your Orchard.

Barnstaple

We visit this north Devon town on Thursday 20th June; it claims to be the oldest borough in the U.K. Once a busy port it has a Pannier Market that sells practically everything you may need, and, if it is a fine, warm and dry day (wishful thinking perhaps) there are some good walks alongside the river.

Tickets are available for both trips should you wish to have a day out.

Strollers Programme

The strolls selected by the group for the next two months are: -

May 10 th	Strawberry Line starting at Railway Inn Sandford
May 24 th	Fynne Court
June 14 th	Creech St Michael
June 28 th	Portishead

The intention on March 8th was to stroll along the Strawberry Line however; having parked near the cemetery on the Shipham Road, the group (8) decided to walk around the reservoir. It was an overcast day and might rain at any time, but it remained dry and they completed the 2.9 mile circuit. The walk had given them both an appetite and a thirst so a visit to the Cheddar Garden Centre restaurant was recommended.

It was very wet on March 22nd so (again 8) set off from Apex Park to walk to the Yacht Club; this short exercise was followed by refreshments in the Café at the Princess Theatre.

They did visit the Uphill Nature Reserve area on the 12th April, taking the route south over towards Bleadon Levels and Brean, covering about 3 miles in all. Whether or not they stick to the programme and visit the Bridgwater/Taunton Canal on the 26th is dependent on the weather.

At the end of March the Somerset Village Group had planned to visit Goathurst, but a) it was far too cold and windy, and b) with most of the group away over the holiday weekend, the visit was cancelled.

They will try again on the 31st May

Art Groups

In the last issue I told you that our Art Groups would be displaying some of their works of art in 'Arts Lounge Gallery' at the Princess Theatre, how many of you went in to admire their skills?

You didn't? Oh well! You missed the first session and unless you get a move on you will miss the second. Two more sessions have been reserved for 7th October and 14th October, a long way off but it will be well worth making a visit, so make a note of the date.

Feedback from the Gallery tells me that some of the 'viewers' of our artwork have been surprised that the U3A of Highbridge has such competent 'painters', all down to our tutor we said.

It is very pleasant in the Lounge Bar, good coffee and comfortable seats, try it.

More Group News

The Club's next holiday

This is to Eastbourne and we will be staying at the Claremont Hotel which is located on the Esplanade, just across the road from the pier.

The Hotel has 67 rooms each with en suite.

Price covers return travel, Dinner, Bed and Breakfast & driver gratuity, and of course Live entertainment every night---Optional excursions.

Theatre Group

On Saturday 6th April about 40 members visited the Weston Playhouse to see the show "Hello Dolly". What a great show! Why go up Bristol to the Hippodrome when we can see good shows so close to home? All members of The Weston Operatic Society gave very polished performances; their four leading actors were great.

(Because this is one of my favourite musicals, I looked it up on the internet. The plot for the show originated was based on an English play "A Day Well Spent" written in 1835; a number of variations followed and in 1938 a play "The Merchants Of Yonkers" appeared, this was then revised in 1955 to become "The Matchmaker".

The part of Dolly in the musical version was written for Ethel Merman but she turned it down, as did Mary Martin, eventually Carol Channing got the part; the show was not doing very well so the producer, (Merrick) after hearing Louis Armstrong's rendition of "Hello Dolly" decided to change its name, and the rest is history. It was once the longest running show on Broadway with 2,844 performances.---- A young Michael Crawford played Cornelius Hackl in the film with Barbra Streisand as Dolly.)

Kurling Group

This Group, like the Card Makers, is also affected by the number of holidays all falling so close together and they too have had to amend their meeting dates, they will not meet again until 20th May because the Spring Holiday Monday falls on 6th May the first Monday in the month.
